

# GEORGINA PAPADOPOULOS

GNCCT DEPUTY CHAIRMAN

WWW.GNCCT.GR

Georgina Papadopoulou is a visionary executive with a unique blend of business acumen and psychology insight.

Born in Nigeria, she relocated to Greece where she pursued higher level education earning degrees in Psychology and Business administration from the American College of Greece, Deree College in 2001.

As the CEO of GP SYSTEMS Company ([www.gpsystems.gr](http://www.gpsystems.gr)), a dynamic family company established in 1982, she has been driving innovation in advanced technological applications delivering premium services to both private and public level.

Driven by a desire for continuous growth, she constantly participates in numerous professional seminars focused on technological applications updating her knowledge and expertise in this field.

Her empathy for others has inspired her to actively volunteer her time to support individuals with special needs.

Lastly, she engages in various athletic activities that contribute to a vibrant and healthy lifestyle reflecting her approach to well-being.
